

How to Enroll in a Certification Exam

- 1) Sign in to [PTC Learning Connector](#) with your PTC.com credentials.
- 2) To view certification exams, click [Search](#) at the top of the page.

- 3) Click **Certifications**.
- 4) Select the certification exam you wish to take.
- 5) Click **ENROLL NOW**.

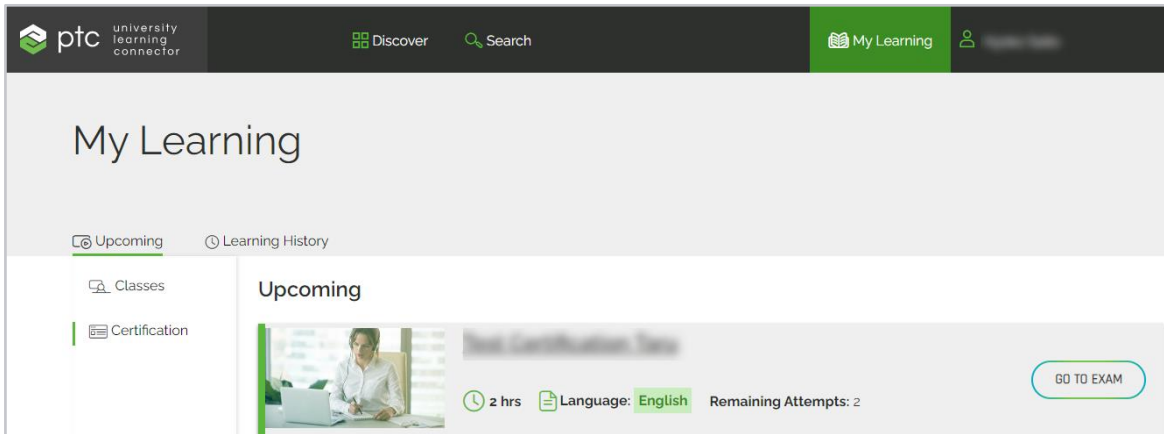

A screenshot of the 'ThingWorx Associate Certification Exam 2023' page. The page features a title 'ThingWorx Associate Certification Exam 2023' and a descriptive paragraph: 'The ThingWorx Associate Certification validates foundational-level knowledge and application taught in PTC University's LEARN Online curriculum. Designers and developers who earn the ThingWorx Associate Certification can apply the ThingWorx development process, build entities in ThingWorx Composer, represent data, and create ThingWorx mashups.' To the right of the text is a photo of a woman working at a laptop. Below the text, there are several elements: 'LANGUAGE: ENGLISH' with a dropdown arrow, '3 HOURS' with a clock icon, 'INCLUDED IN SUBSCRIPTION' with a dollar sign icon, 'STUDY GUIDE' with a book icon and a right-pointing arrow, and an 'ENROLL NOW' button highlighted with a green box.

- 6) Click [My Learning](#) next to your name.
- 7) Click **Upcoming** and **Certification** to view your enrollment.
- 8) Select the certification exam and click **GO TO EXAM** to start the exam.

How to Enroll in a Certification Exam

Confirming Your Enrollment:

- The certification exam will be added to your [My Learning](#) page, and you will receive a registration confirmation email.

Note:

- Once you click **GO TO EXAM**, you cannot unenroll from the certification exam.
- Once you launch the exam, you must complete the exam.
- A user must score 80% or higher to pass the exam.
- You have two attempts to pass the exam. If you own a LEARN Online Subscription and need further attempts, please reach out to trainingcentral@ptc.com to reset.
- The exam will submit automatically three hours after launching.
